St. Johnsbury began to blossom forth today in a radiance of red, white and blue. COMPANY STARTS AUTO BUS LINE

Covers Summerville, Paddock's Village and Main Street of Town

"Trolley cars? We don't have 'em here. Take the 'bus."

That's the new local transportation slogan.

The Union Transfer Company's omnibus line is working. Efforts are being made this week to get the time schedule going smoothly. The endeavor is being made to run a specially constructed car through the principal streets of the town every 30 minutes and get the public to utilize it as they would a trolley car.

The starting point is going to be Arnold Park at the northern end of Main street. The bus will go down Main street to Eastern Avenue, down the hill to Railroad street. It will turn north on Railroad street and cross the river into Paddock Village. At Concord Ave. and Portland streets in Summerville it will turn and retrace its route, climbing Eastern Avenue hill again but turning southward on Main street, down Western Avenue to the Fairbanks shops.

Mr. Bragg was born in Thetford, July 10, 1848, and lived until early manhood in Thetford and Fairlee. He came to St. Johnsbury in 1874 and during his long residence here he has built many private houses and public buildings. Among the latter are the Summerville schoolhouse, the high
